To order services from AT&T, call (800) 553-2571 or E-mail [debate08@att.com](mailto:debate08@att.com).

Use the [University of Mississippi rate sheet](#) to order telephone, Internet, and other services.

High-Speed Products	
Broadcast Point-to-Point DS1 Point-to-Point DS3 FrameRelay ATM	Due to complexities, please call AT&T for prices. Rates will be based on regulatory tariff rates. Prices will not include taxes or fees. All orders will be billed for a minimum of one month of service. A 45 day (90 days for fiber based services) lead time for provisioning is expected or expedited fees could apply.

The following ordering information, lead times, and last dates to order are required to efficiently process orders for the September 26, 2008 debate at the University of Mississippi.

To order services from AT&T, call (800) 553-2571 or E-mail [debate08@att.com](mailto:debate08@att.com).

Product	Lead Time	Last Date to Order
DSL	5 days	September 9, 2008
Business Line (Qty. of 1-3)	3 days	September 11, 2008
Business Line (Qty. of 4-9)	5 days	September 9, 2008
Business Line (Qty. of 10+)	7 days	September 5, 2008
ISDN BRI Service	12 days	August 29, 2008

High-Speed Products	Lead Time	Last Date to Order
Broadcast/TV T1 *	45 days	July 15, 2008
DS1/T1 (Intrastate/within MS; non-channelized)	10 days	September 2, 2008
DS1/T1 (Intrastate/within MS; channelized)	16 days	August 25, 2008
DS1/T1 (Interstate)	45 days	July 15, 2008
PRI	25 days	August 12, 2008
DS3	45 days	July 15, 2008

**\*NOTE:** TV1 circuits will require 45 days for initial build-up of circuits. After this initial build-up, additions can probably be provisioned in 10-15 days.

Priority will be given to orders placed prior to the specified dates. Every effort will be made to fulfill requests after these dates but service cannot be guaranteed.

To order services from AT&T, call (800) 553-2571 or E-mail [debate08@att.com](mailto:debate08@att.com).
