

Choosing a Database

Do I need a Database?

Yes. You use databases to find articles in:

- Magazines
- Journals
- Newspapers

We have over one hundred databases - which one should you choose? What do I need?

I need articles on a particular subject

See [Subject Guides](#) - for example literary criticism, choose the English and Literature Subject Guide

I need to use a specific database

See [Databases](#) - for example Basic Biosis is under "B" on the alphabetical list

I need a few articles quickly!

Try [EbscoHost's Academic Search Premier](#)

I have a citation; I need to find the journal

See [Journals, Magazines, and Newspapers](#) - for example type Child Development in the Journal Title search box

I need to browse a magazine online

See [Journals, Magazines, and Newspapers](#) - for example, for recreation titles, choose Geography, Anthropology, Recreation in the pull down menu
