

Math 401 –Fall 2005

Combinatorics

Instructor:

- Dr. Tristan Denley, Hume Hall 305B
- tel: 915-7071
- email: tdenley@olemiss.edu

Office Hours:

- Please email or telephone to make an appointment.

Class Time:

- MWF 10:00-11:15, Hume 112

Textbook and Syllabus:

- **Combinatorics : Topics, Techniques, Algorithms** by Peter J. Cameron and
- **Voyages in Mathematics** by Denley which is available as a manuscript from Sir Speedy.

Grading:

There will be three major tests, besides the final. The final is comprehensive, and can replace the lowest test grade. There will be weekly assignments, which will count towards your final grade. Your end of semester percentage will be decided as the sum of your assignment percentage, three test percentages, and twice your final percentage taken as a score out of 600. Your final may be used to replace the lowest of the other contributions to your score. Final grades will be assigned as follows:
A >89%, B >79%, C >67%, D >54%

Exams:

The exams dates are set for September 23, October 21 and November 30. Alternative arrangements will only be made under exceptional circumstances.
