Text: Calculus, Second Edition, by Smith and Minton
Course content: Chapters 1, 2, 3, and section 4.1

Grading: There will be 4 major tests counting 100 points each, with the lowest of the four test scores dropped.

Quizzes and other assignments will count a total of 100 points.

The mandatory comprehensive final exam will count 200 points.

Grading scale:	540-600 points	A
	480-539 points	B
	420-479 points	C
	360-419 points	D
	0-359 points	F

The **Final Exam** is at 8:00 a.m. on Friday, May 13.
All other exam dates will be announced in class.

The **withdrawal deadline** is February 28, 2005.

No make-ups are given. If a student is absent, a grade of zero is received.

A student who must miss a scheduled test because of an official university function must reschedule with the instructor to take the test at a time **BEFORE** the test is scheduled to be given. NO OTHER rescheduling will be allowed. Official documentation must be provided.

Academic Needs: It is the responsibility of any student with a disability who requests a reasonable accommodation to contact the Office of Student Disability Services (915-7128). Any request for accommodations must be made through that office prior to the date of the exam.
