**Text:** Calculus with Applications, Eighth Edition by Lial, Greenwell, Ritchey

**TESTS:**

1. There will be five major tests during the semester. Each test will count 100 points. The test questions will be similar in format to the examples in the sample tests provided with MyMathLab. Sample tests to use in preparing for some of the tests.
2. Homework will count as a 10% portion of the grade and will be completed with MyMathLab.
3. The final examination is comprehensive and will count 200 points.

**VERY IMPORTANT:**

1. If a test is missed for ANY reason, a grade of 0 will be given. There will be absolutely NO make up tests given for ANY reason.
2. The lowest of the six major grades (5 tests grades and homework grade) will be dropped at the end of the semester.
3. Any person who must miss a scheduled exam because of an official University function must reschedule and take this exam at a later date.
4. **ATTENTION:** All students must show up to the beginning of the Department of Mathematics class on time. Students must show all work for each test question and arrive at a correct answer, even on multiple choice exams.
5. Students must show all work for each test question and arrive at a correct answer, even on multiple choice exams.
6. If a student wishes to discuss the grading policy, the testing policy, or wishes to have any conversation regarding the instructor's policies, please make an appointment with the instructor to take the 12:00-1:00 PM exam.
7. **ATTENTION:** All students must show up to the beginning of the Department of Mathematics class on time. Students must show all work for each test question and arrive at a correct answer, even on multiple choice exams.

**FINAL GRADE:** The cumulative point total for the tests, quizzes and final examination is 700 points: 500 tests and homework (after dropping one), 200 final. The following point scale will be used to determine your final grade.

Grade	Points Necessary for Grade
A	630 = 90% of 700
B	560 = 80% of 700
C	490 = 70% of 700
D	420 = 60% of 700
F	Below 420

**SPECIAL NOTE:** Students must take the responsibility of telling the instructor in advance if they must leave early and must discuss with the instructor immediately after class if they entered the classroom after class has begun. Note that it is the student's responsibility to make sure their attendance record is correct.

**Calculators:** Graphing calculators are welcome in our calculus classroom. Please note, however, that calculators with a Computer Algebra System and/or a QWERTY keyboard are not allowed during tests and quizzes. This includes, but is not limited to, the TI-89, the TI-92, and the Casio Algebra FX 2.0.

**ELECTRONIC DEVICES:** All cellular phones, pagers, and other electronic equipment should be turned off during the class period.

**Cheating:** The following statement is the policy of the Department of Mathematics in Math 267 regarding cheating:

**Offenses:** Cheating on any exam or quiz, theft or attempted theft of exam questions, possession of exam questions prior to the time for examination, or the use of an illegal calculator on tests or quizzes shall all be offenses subject to appropriate penalties.

**Penalties:** The penalty for commission of any offense set out above is failure in the course and, subject to the approval of the

**WITHDRAWAL DEADLINE DATE FOR 2004 FALL SEMESTER:** Monday, September 27. After the Course Withdrawal Deadline, courses dropped will be recorded on University records and the W grade will be recorded if the student is not failing the course at the time of withdrawal; otherwise the grade recorded will be F. After the course withdrawal deadline, a student may drop a

**ACADEMIC NEEDS:** It is the responsibility of every student with a disability to request a reasonable accommodation and to contact the Office of Student Disability Services (915-7128) to contact a grade teacher because of a student's official changing of the student to the instructor of this class. The instructor will then be happy to work with the student so that a reasonable accommodation of any disability can be made.
