1. There will be five major tests during the semester. Each test will count 100 points. The test questions will be similar in format to the examples in class and the homework problems.
2. Homework will count as a 100-point test grade. All homework will be done using MyMathLab and must be submitted by the due date. **Late homework is not accepted for any reason.**
3. The final examination is comprehensive and will count 200 points.

### VERY IMPORTANT:

1. If a test is missed for ANY reason, a grade of 0 will be given. There will be absolutely NO make up tests given for ANY reason.
2. The lowest of the five major test grades will be dropped at the end of the semester. Please note that the quiz/homework grade cannot be dropped.
3. Any person who must miss a scheduled exam because of an official University function must reschedule and take this exam at a time BEFORE the exam is scheduled to be given. NO OTHER rescheduling will be allowed.

7. Any student having three or more final examinations scheduled for the same day will arrange with the instructor to take the 12 noon examination or the 7:30 p.m. examination on some other mutually satisfactory date. Please note that only the 12:00 noon and the 7:30 p.m. examinations may be rescheduled for this reason.
