

Financial Management Workshop

Posttest for Trainees

Instructor's Code _____

ID No. (last six (6) digits of driver's license) _____ Today's Date _____

Please circle the rating that is closest to your opinion on the following statements:

Scale = SA, Strongly Agree (7) to SD, Strongly Disagree (1)

Statement	SA	6	5	4	3	2	SD
1. Financial information should be shared with all school nutrition program (SNP) stakeholders, including site-level managers.	7	6	5	4	3	2	1
2. I manage the finances in my SNP well.	7	6	5	4	3	2	1
3. If all SNPs used uniform methods of calculating and analyzing financial data, the school nutrition profession would benefit.	7	6	5	4	3	2	1
4. Interpreting and analyzing financial reports are hard for me to do.	7	6	5	4	3	2	1
5. Following a standardized way to generate and analyze financial SNP reports will make my life a lot easier.	7	6	5	4	3	2	1
6. My current SNP financial information is NOT as valid as I would like.	7	6	5	4	3	2	1
7. Benchmarking financial information can foster improvements in SNPs.	7	6	5	4	3	2	1
8. I would prefer looking at my own financial reports rather than simply "trusting" the ones I get from school administration.	7	6	5	4	3	2	1
9. When school foodservice directors increase their knowledge/skills in financial management, they increase their ability to communicate effectively with school administrators.	7	6	5	4	3	2	1
10. SNPs are too diverse and complex to use a uniform method of calculating and analyzing financial data.	7	6	5	4	3	2	1
11. I like to deal with financial issues in my SNP.	7	6	5	4	3	2	1
12. I feel confident when I talk with school administrator(s) about SNP financial issues.	7	6	5	4	3	2	1
13. Sound financial management information is nice to have, but NOT an essential component of SNP quality.	7	6	5	4	3	2	1

Please circle the letter corresponding to the **BEST** answer to the questions below:

14. A per plate meal cost should be calculated by the following formula: _____ divided by total lunches plus lunch equivalents.
- Food and commodities costs
 - Labor and benefits costs
 - Supplies cost
 - Total expenditures
