You can now submit your claims securely through our website. Simply login at www.sabcflex.com. On the left-hand side, click on the 3rd menu prompt “Submit Claims.” You will complete your online Request for Reimbursement information and then attach your receipts and submit. Your receipts must be scanned and saved to your computer so that you can attach them to the request.

If you are submitting a validation for Benny Card purchases, please check the Validation box. If you are picking up your reimbursement check, please check the In-Office Pick Up box. Your signature will either be your social security number or maybe your nine digit employee number. Check with your employer or SABC if you are unsure which identification number your employer uses. The number entered for employee id, must be the same for the signature.

IMPORTANT: Effective August 13, 2012, we will no longer accept unsecured claims sent to claims@sabcflex.com, or any other SABC emails. In addition, we request that you use our secure site to submit your claims instead of using your secure email, as it is hard for us to keep track of all the passwords.

IMPORTANT 2013 CHANGES

Remember, due to the new healthcare laws, Unreimbursed Medical Spending Accounts cannot exceed $2500.00 for Plan Years starting after December 31, 2012.

For those that claim medical expenses on your taxes at the end of year, beginning after December 31, 2012, you may deduct only the amount by which your total medical expenses exceed 10% of your adjusted gross income. This is another reason to take advantage of the first dollars tax savings offered under your Unreimbursed Medical spending account.
