____ *Inadequate references to the past literature including related papers published in IJP.*

Technical Content and Other Comments: Marked manuscript mailed to the Editor (Please check)

As the Chief Editor, I am committed to the goal of making IJP the most cited journal in the future worldwide pavement literature. Therefore, we urge the authors to ensure that each paper manuscript includes *adequate references to the past literature including related papers published in IJP*. We appreciate their cooperation and request the reviewers to consider this factor in their evaluations. Thank you. *Waheed Uddin*
