    - **Update on the GradeBuddy Online Note Distribution System**
      - GradeBuddy.com, according to their website, “provides a platform for students to access the best study materials to help accelerate learning and increase academic success.” It is a system that allows student to sell their in-class notes via an online portal to other students. The question has been raised whether this should be considered academic misconduct and whether this represents an inappropriate use of the intellectual property of the professor.
